About DBi

DBi  The Global Network
Of Trusted Professionals

Doing Business International (DBi) is an international network set up in 2012 specialising in tax, legal, and global expansion. The network provides comprehensive services designed to assist companies in navigating the complexities of entering and operating in foreign markets. **DBi offers a unique** range of services tailored to the needs of each client, ranging from company incorporation and legal compliance to financial advisory and market entry strategies.

We firmly believe in our **core mission**: to facilitate and enhance international business activities, foster economic development, and forge strategic partnerships between global enterprises.

Global Community

We are focused on bringing together the **best talent and expertise worldwide**, not only in terms of generating new business opportunities for our members, but as an international community of trusted professionals worldwide. We aim to provide a streamlined experience within our community, offering enhanced brand awareness, networking, and growth.
